WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifl with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

Free Sample
For Baby's Ills

Something can and must be done for the puny, crying baby, tor the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in case of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you tried Dr. Caldwell's Syrup Pepin? It is a liquid emulsion that has been used for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later, when convinced of its merits, you can get it from your druggist at fifty cents and one dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonsville, Pa., as well as that of Mr. A. F. Johnson of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sick child, one given to constipation and indigestion, you should send for a free sample of this remedy.

To give you any medical advice you may desire for your family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case to me and I will tell you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women.

It will surely help you, as it has helped thousands of others, in the past 50 years.

BASKET BALL

Maysville Girls Victorious in Game at Ashland Saturday

The girls on the High School Basket Ball team cannot express their appreciation of the enthusiastic welcome and the kind treatment they received in Ashland, where they went Saturday to play a game there.

About forty of the Ashland High School pupils and some of their parents met the team at the station. They were conveyed to their destinations in automobiles, flying the High School colors and followed by cheer after cheer from the boys.

The balcony of the Y. M. C. A. Gymnasium, in which the game was played, was packed, and down stairs the floor around the field was crowded.

The enthusiasm and excitement was so great that three times during the game time was called until the noise subsided. Maysville did not lack supporters, as a large crowd from Cynthiana came over to cheer for them.

The Ashland team became slightly confused because of their unfamiliarity with the line rules, while they were unable to use their goal throwers because of the strength and quickness of the Maysville guards.

The score at the end of the first half was 12 to 4; at the end of the last half 20 to 8 in favor of Maysville. The Maysville girls did splendid passing, but it is upon their guarding they are to be especially congratulated.

ENTERTAINMENT.

The High School team was royally entertained while in Ashland and the teams became close friends. Miss Sutherland and Miss Ethel Owens visited at the home of Miss Elizabeth Calvin; Miss Waller and Master Charlie Poyntz were entertained by Miss Dorothy Field, Miss Frances Hedges by Miss Elizabeth Eba, Miss Lucille Crowell by Miss Constance White, Miss Zweigart by Miss Ryeza Scott, Miss Anna May Campbell by Miss Carol Summers, Miss Nathalie Wood by Miss Argryra Zeigler and Miss Edith Dickson, the Maysville Captain, by Miss Hazel Eifort.

Miss Elizabeth Calvin entertained in honor of Miss Sutherland from 4 to 6. The Maysville team and their hostesses were invited. A large number of Miss Sutherland's friends were present and gave her a most cordial welcome.

Miss Elizabeth Eba received in honor of the Maysville team from 6 to 7:30.

The game began at 8 o'clock and afterwards the members of the teams separated and were taken to the homes of the Ashland girls, where they were serenaded by the High School boys who made the rounds at a late hour, winding up at the home of Miss Calvin, where they

J. C. Cablish & Bro., QUALITY GROCERS.

sang for some time in honor of Miss Sutherland.

Sunday, after attending Sunday-school at the Presbyterian Church, the team was met by the High School pupils and invited to visit their building. Chaperoned by Miss Sutherland and several of the Ashland teachers the team went through two of the Ashland school buildings.

The team left immediately after dinner for train. They hope to entertain the Ashland team in Maysville soon and to repay in part, at least, the hospitality shown them while in Ashland.

A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pill's just as highly today as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but, thanks to modern illumination, they are more than offset by the joyous nights. Darkness now is only a setting which brings out more strongly by contrast the glories of light. If the day gets too gloomy, we turn a switch or pull a cord and instantly our office, home or store becomes as brilliant as June sunshine. : : : :

Among the number receiving the jewels were Hon. William H. Cox of this city and Judge M. J. Durham of Lexington. Not only the oldest Past Grand Master in the State, Judge Durham is also the oldest Past Grand Sir in the United States and the event yesterday commemorated the fiftieth anniversary of his services.

ROYAL BLUE

For Laundry Use.

It is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with excellent results.

One ten-cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of much better quality. You can make half a pint of excellent Blue ink by dissolving the powder in half pint of water. Prepared by

The coal fleet is having a strenuous time in reaching the Cincinnati harbor in safety on account of the heavy floating ice. Monday the Condor grounded her tow of 14 barges at Ripley in trying to keep out of the heavy ice flow, and lost one barge, which sank. Yesterday the R. P. Gilham passed here with a big tow and was having a hard time of it, notwithstanding the T. D. Lane was assisting in getting the fleet into port. The Lucy Marmat passed up, pulling a number of empty barges in her wake.

Maysville Lady to Make Her Appearance at Portsmouth This Week

Portsmouth Blade.
The vaudeville act which was formed by Mrs. Led Hamilton, wife of the popular theatrical manager, who is now located in Zanesville, and which is composed of Zanesville girls, will be at the Majestic the last three days this week. Manager Lewis received the photographs of this act this morning and Mrs. Hamilton was easily recognized by the scribe, who looked them over.

The act is put on by four girls and not by five, as was the original intention. The fifth girl, who was to round out the act, was a member of Portsmouth's society folk, but when the time came to leave and join the troupe parental objection made it impossible. This young lady will no doubt witness the performance at the Majestic with much interest.

The thoroughbred attached to the Central Hotel baggage wagon, while standing in front of the L. and N. Depot last evening, became frightened at an approaching engine and started on a 2:40 run around the freight house and up the track. The wagon caught in a freg at the approach of the bridge over Limestone creek and held fast, while the horse pulled loose from the vehicle and continued its flight over the bridge, walking the ties without a stumble, and finally rounded up in the gravel pit beyond the round house, where it was later recovered.

The drys will contest the local option election at Somerset.

Yesterday during the Christmas early shopping rush a woman confiscated a \$2 purse from the counter in one of our largest stores and when asked by a clerk where she got it declared she purchased the article from another clerk. As the woman was boldly carrying the purse in her hand without paying for it, she was made to deliver over the swiped money reciprocally, and hurriedly left the building. No names and no prosecution.

However, in the latter case, the losers were reimbursed by certain parties who were innocent of any intent or participation in the fraud. Mr. D. N. House, the photographer, has on display in the window of The Ledger Printer an immense reproduced photo of the first parade of Limehouse Lodge No. 36, Knights of Pythias, in this city in May, 1876, the Centennial Year, nearly thirty-four years ago. The picture is 25x30 inches in size and was taken from an 8x10 photo, the work being done for Mr. House in Cincinnati. The scene, looking at the parade down West Second street, shows many recognizable Mayvillians, and business houses as they then stood. A picture of our latter day Second street would present quite a contrast to the old, as in the place of mud and dust and old-time structures we now behold an up-to-date municipal scene, which plainly shows the passing into memory's past Old Mayville and her quaint architecture and original citizenship. The picture will be presented to Limehouse Lodge Friday evening by Major Horatio Ficain, Mr. Thomas A. Davis making the presentation address.
